

JUNIOR ARCHITECT

Description of the firm:

Founded in 1990, ERA Architects specializes in architecture, heritage conservation, landscape and heritage planning as they connect to historical places, and provides full professional services to both public and private sector clients. Our core interest is in relating heritage issues to wider considerations of urban design, landscape and city building, and to broader cultural and community values. ERA works collaboratively with other firms to engage in conservation and improving the built environment.

Description of the position:

ERA is seeking an Junior Architect to work on various rehabilitation projects. The position will be located in Toronto. The position will involve working in a collaborative team environment, working on all project phases including research, analysis, site investigations, production of construction documents, consultant coordination, attendance at meetings, problem solving, site review and contract administration.

You are an energetic, motivated, and self-disciplined individual who has the capacity to work independently and also to work collaboratively within small and large teams to support project work of various scales and complexity. You are an organized individual capable of dealing with complex project requirements and have the ability to coordinate many task at once, while producing work of a high-quality demonstrating attention to detail.

The successful proponent will have the job title 'Professional Staff 2' and will report to Project Managers and Associates. The position is a one-year contract, with an option to extend.

Expertise and experience sought:

- A post-secondary degree, ideally in Architecture or a related field such as Heritage Conservation or Architectural Technology;
- Minimum of two years of on the job experience in an architectural environment;
- Familiarity with architectural standards, building code and building practices;
- Strong written and verbal communication skills in English (both spoken and written);
- Proficient in AutoCAD, Revit, Adobe Creative Suite and MS Office;

Employment conditions:

- Competitive salary according to level of experience;
- 37.5-hour work week;
- Generous Health and Dental Benefit Plan;
- RRSP matching plan;
- Tuition Reimbursement plan.

To apply please email your resume, portfolio sample and a short letter of introduction to employment@eraarch.ca and indicate in the subject line: Application for Junior Architect. Applications will be accepted until July 16, 2021.

ERA does not discriminate against applicants or employees because of their race, creed, color, age, religion, gender, disability, sexual orientation, marital status, military status, national origin or ancestry. ERA is committed to fostering an inclusive and equitable workplace where all employees and partners feel valued, respected and supported. ERA is committed to working with and providing reasonable accommodation to applicants with disabilities.

We thank all applicants for their interest; however only those selected for an interview will be contacted. No agency referrals will be considered.
