JUNIOR ARCHITECT

Overview

ERA is seeking motivated individuals with a **minimum 3 years** of architectural experience to join our multi-disciplinary team in Toronto. Our work involves the adaptive reuse of existing buildings, as well as the design and construction of new buildings in sensitive contexts. Understanding context and improving the quality of places are the key components to the success of our stimulating projects. We work collaboratively both inside ERA and with our consultants to support projects of various scales and complexity.

Working at ERA

Though we are all currently working from home due to COVID-19, we are an energetic, passionate, and social group, who work hard while still ensuring a work-life balance. We especially appreciate candidates who are passionate about the intersection of historic and contemporary architecture and places, who possess strong interpersonal skills, and thrive in a collaborative studio environment. Working at ERA means you will learn about the many layers of the city and how they guide our approach to everything we do. ERA offers some very competitive benefits, including: competitive salaries according to level of experience; professional development stipends; in-house educational forums and licensure support; 37.5-hour work week; health and dental benefit plan; and RRSP matching plan.

Key Responsibilities

Candidates must be a graduate of an accredited program in Architecture (Masters level), and be proficient in AutoCAD, Revit, Adobe Creative Suite and MS Office. Key responsibilities in this role include:

- Preparation of AutoCAD and Revit drawings and complex drawing sets;
- Ability to efficiently and accurately build Revit models of existing buildings and new construction;
- Ability to develop diagrams and high quality graphics;
- Architectural detailing in collaboration with the Project Team;
- Preparing project statistics and project schedules; and
- Developing and coordinating construction documents with the Project Team and external consultants.

Application

To apply please email your resume, portfolio sample and a short letter of introduction to shelleyl@eraarch.ca and indicate in the subject line: Application for Junior Architect (Dec 2021). Applications will be accepted until December 13, 2021 at 6pm.

ERA does not discriminate against applicants or employees because of their race, creed, color, age, religion, gender, disability, sexual orientation, marital status, military status, national origin or ancestry. ERA is committed to fostering an inclusive and equitable workplace where all employees and partners feel valued, respected and supported. ERA is committed to working with and providing reasonable accommodation to applicants with disabilities.

We thank all applicants for their interest; however only those selected for an interview will be contacted. No agency referrals will be considered.
